A full-page photograph of Shavon Taylor. She is a woman with long dark hair, smiling and looking over her shoulder. She is wearing a bright pink, form-fitting, spaghetti-strap bodysuit with a ruffled waistline and matching pink high-heeled sandals. She is in a crouching position, facing away from the camera but turning her head to look back. The background shows a bed with light blue pillows and a dark metal headboard. The lighting is soft and indoor.

Hi, I'm Shavon Taylor, and with me it always seems to get down to anal sex. When a guy learns that I like it in the butt, it's almost like he forgets about my pussy. Not that that's a bad thing, but damn guys, my pretty cunt needs fucking too!

CARMEN WHOLE LOTTA WOMAN

I like to think of myself as the perfect real life fuck doll. I have a great body. Full phat boobs. A mouth that knows how to suck. A pussy that's always clean-shaven, and wet. And a phat ass that's beautifully round and brown. But something you can't see is my sexual appetite. It's enormous, just like the cocks that seek it out.

Oh yeah, that fuck was hot. For a girl like me, thee's nothing more that I want in my mouth and pussy than a nice really, big cock. Finally I got one that filled my pussy all the way up – or in. Since I can take a big cock deep in my hole, I want it deep in my hole. I can take it and want it.

What I want to say to you and to your readers is that getting fucked in the ass really hurts. I don't know how the girls in the pictures can have a dick up there and keep smiling.

tasting. I write this cause I know she want it from me. I'm done, man and I'm sending you this letter.

— Alonzo, Ohio

Think pink,

Before I tell you why I'm writing, I just want to tell you that your filthy mag is great. It's got a little bit of everthing but I'm into the black chicks. Especially, I like the pink inside their brown pussy lips. It's like licking a chocolate bar to discover a pink cherry inside. My girlfriend's is so bright that it almost glows in the dark.

— Monnie, GA

Finish it already

Dudes, with the economy the way it is, I took advantage of the free movies I can watch on your website with the codes. I didn't realize I could watch all the other movies there too. Way to go! I spent hours watching and only minutes jackin. It's been two weeks since I got it and I still haven't played all of them. And I've used up six whole boxes of Kleenex. Sorry- gotta go pull out one more sheet.

— Thirsty, LA

Only fuck with his dick

My girlfriend accuses me of being a player and I need another opinion. We go out and it's the shorties that wanna get with ME. I'm focused on my chick but she only sees the others. I'm not that good looking but I'm confident. No problem talking to anyone and that's what gets me in trouble. Oh, she's happy in the bedroom because I'm big and she like that. She needs two hands to get round my dick. But when we ain't fucking and the focus ain't on her she's all over me. How do I tell her she only needs to fuck with my dick and not with my mind?

— Lawrence, Tampa

A cock is too much?

Believe it or not, I'm a woman writing to your magazine. I'm not going to bitch and I'm not going to complain about the photographs. What I want to say to you and to your readers is that getting fucked in the ass really hurts. I don't know how the girls in the pictures can have a dick up there and keep smiling. A finger I can take and even a thin dildo, but a cock is too much.

Yeah they get a lot of practice because they do it all the time, but the guys a pounding that ass so hard it's hard to believe they're happy. Maybe they get shots or something that numbs their butt?

I've done it a few times and I do it for my boyfriend, but the to go through the pain can be too much sometimes. When I give it up to him, he has to really grease it up, start with a finger or dildo before I let him put his cock in my asshole. He's a booty lover so it's hard to say no. He loves my booty and I love to let him have it. But it still hurts, dammit.

— A. Fuentes, Oxnard

A businessman?

I'm just an entrepreneur whose business is women. I have a few honeyz that I keep. Keep them happy that is. At least I thought so until I was hanging

The shortie in the car is droppin her panties as she licks the other one and takes my right hand and puts it on her pussy as she drops her panties down.

with my homies and saw your mag at his crib. I thumbed through it and there was one of my chicks doing some dude in pictures. Man did that fry me and I threw my beer across the room. After I cooled down and erased the sight of her mouth around some guy's dick, I took a closer look at the mag to see if there was anyone else, which there wasn't.

Now I hadn't seen her for a few weeks so I called her cell and she answered. I started off on her and she didn't say a thing. For ten minutes I laid into her and she just listened. After I was done and asked her what she had to say, she just said it was her twin. That floored me. She had a twin sister and kept it from me. Yea, she said. She didn't want her to hook up with me because she wanted me all to herself. Well, that soothed my ego and I rushed over to see and fuck her. Thanks for the pictorial of her twin.

- Norris, NYC

Urban Suburban

Since you want to hear from guys like me, let me tell you what's up in L.A. I got this big black Suburban with some rad rims on the outside and a rockin sound system on the inside, I dropped another 15G just for the sounds. Why? Because this is the type of shit that gets me the honeyz. All I have to do is cruise and they jump on in and then they want to cut loose.

So I'm leavin the ElRay just past 2 am with these two smokin babes I just picked up. We be cruisin thru Beverly Hills with the moonroof open and one chick sittin up on the roof with her legs danglin down. The other shortie's standin between her legs eatin her out. I'm drivin tryin to keep in the lane as the two crazies are goin at it. The one on top leans back and lays down sayin how cool the stars look while the other is stickin fingers in that sweet hootchie. The shortie in the car is droppin her panties as she licks the other one and takes my right hand and puts it on her pussy as she drops her panties down. I stick a finger in and she's soakin wet. As I pull it out and squeeze her butt cheeks, I almost drive into a parked car. Not wantin to fuck up my ride, I pull over around Rexford and park it. The girls were so into it they didn't even know I stopped.

Now I can squeeze the bitch's ass without crashin. I move the seat back so I got room to maneuver and take both those cheeks in my hands. I squeeze em and she opens her legs up some more still lickin the bitch on the roof.

I push the inside chick off the roof bitch and start to lickin her myself. The inside bitch is unzippin me and takes out my huge dick. She starts to lick and gulp it down as I'm doin the roofie. Man she was good.

I started fuckin her mouth and she was takin every inch of it. Her head was pinned against the back of the seat as I was shovin my dick into it. I tell the chick on the roof to roll over onto her stomach so I can tongue fuck her asshole. She does that and with her legs danglin in the car I spread them and jam my long tongue into her butt crack until I find her butt hole. I'm massagin her butt as my tongue fucks her hole. I shove my thumb into her soaking cunt and give her a good finger-fuckin while inside girl is lickin my balls. She's pushin my cock up to get at them and sucks em like a Hoover. By now the roofie is screamin as she cums and I'm about to blow my load. She gaggin' on my rod as I'm cummin and tries to pull it out. I hold the back of her head so she swallows cause I'm not gettin the floor or my pants messy. Two of us have cum so that leaves the chick in the car.

The chick from the roof comes into the cabin and strips completely. The other chick does the same and the two lay down in the back seat 69in. The one on top is grindin her hips on the lower chick. I position myself behind the girl on top's ass and, fuck, a knock on the window. It's the fuckin cops! Gotta go.

A full-page photograph of a woman with long, dark, wavy hair, posing from the back and slightly to the side. She is looking back over her shoulder at the camera with a slight smile. She is unclothed. The background shows a room with a bookshelf filled with books and a bed with blue bedding.

OSO LOVELY SMALL FRY FOR THE BIG GUY

I think I have one of the cutest names around. I was called that so often that I decided to just call myself that – for professional reasons, of course. I'm only five foot two, but I fuck like a real person, not a little doll that just lays there. A lot of guys think they're going to hurt me if they fuck me hard but that's not the case. Believe me, my little frame can take any pounding you guys can put out.

I'm always asked by both men and women if I like women, and, of course I do. But that doesn't mean I want to have sex with only them. I've done girls in my private life and it's a lot of fun, but for the camera, it's with guys that I really get into. Believe it or not, I love riding a big cock up and down real hard that when my boobs bounce hard, I can actually get even more aroused because it's not that far from the tip of their cock to my boobs! Can't do that with a woman.

With me, it's Valentine's Day every day. I'm Vida Valentine and I like to live the good life, every day. And that means my men have to have great stamina and know how to fuck from morning to night. Sex is a non-stop event with me. If we're going to fuck, then the sweat levels gotta rise until we're dripping wet.

Unlike a lot of women, I like the taste of cum, and I like the feel and texture of it in my mouth. I can usually tell what a guy's been eating just from the taste of his cum. A friend of mine suggested I write a first hand article on it and publish the facts as an expert. I'm currently entertaining the idea. Be sure too look for it on the internet and as a major Hollywood motion picture! I think I'll call it 'The Happy Swallower!'

a Not so Private Affair

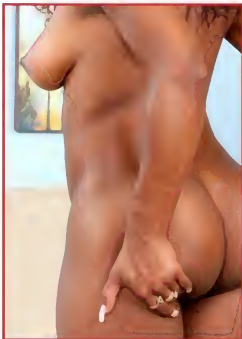

be sure you're alone or things will happen

We were finally getting to LaVonne house. We'd been partying all night at The Sphinx and were all pretty drunk. LaVonne was the least wasted and was driving her three other passengers with some caution. She pulled into the driveway of her modest house and the suddenly a light came on from a sensor over the garage. Stopping the car in the driveway, Weston got out the the front passenger seat and opened the door for Ruby who was sitting behind him. LaVonne got out the driver's door and opened Sammie's for her. Sammie was leaning on the door when LaVonne opened it and fell out onto the driveway asphalt but didn't seem to hurt herself. LaVonne bent over to help her up and grunted as she pushed Sammie back upright in the car.

LaVonne is dark brown with black hair ironed straighter than a dry spaghetti noodle. hair that she always does the She also has great breasts and a thin waist that sits on top of a tight firm ass. She has green eyes and her lips always moving thanks to her constant jabbering.

Sammie, on the other hand was the shy one of the group, until she got some booze into her. She just didn't know when to stop and lways seemd to be needing some sort of help before the evening ended. Fortunately, she rarely pukes. Weston has dealt with these kind of girls before. He went around to help with Sammie. LaVonne looked at him from the opposite side of Sammie and smiled, he re-

ally is a gentleman. She always thought that Weston was cute but was afraid that he was like the other guys, get the girl drunk, rub up against her, fuck for thirty seconds and fall asleep. She hoped she was wrong.

Ruby was Weston's current girlfriend. She got the keys from LaVonne and went and opened the door. Weston and LaVonne holding Sammie up as they climbed the front steps. When they got inside LaVonne they leaned Sammie against the wall and Ruby rushed off to the kitchen to get a wet cloth to put on Sammie's forehead. Sammie was pulled over to the sofa and laid down. LaVonne unbuttoned a couple buttons on her blouse so her clothes would not be too binding. Ruby came in with a small towel folded and soaked and put it on Sammie's forehead. Water dripped down her temples and into her ears. That made

Sammie bolt up and try to dry them, missing her ears each time she brushed her hands by. Lending her his arm, Sammie pulled herself up and held on. They followed LaVonne up the stairs to the room that Sammie would be recovering in.

LaVonne indicated to the first doorway on their left and opened the door for them. Sammie was led to the bed and plopped down on it. LaVonne started to undress her and then realized Weston was standing there watching. "Well?!" she said. "Get over here and help me." Weston

pulled off her boots as LaVonne worked her upper body. "Sit her up for me." she asked and Weston grabbed under her armpits and LaVonne Stripped her blouse off and then her bra. She took a moment to rub the bra lines on Sammie's boobs and gave them a quick squeeze as she looked at Weston. LaVonne set her back down as Weston went back to her feet and grabben the hems of her pants geting them off in long long hard pull. "I'll finish." said LaVonne as she pushed Weston away and grabbed Sammies panties and pulled them off. Weston found a light

the tube." But just then Ruby landed on a porn movie, Weston stopped with his mouth half open. Ruby looked at him and laughed at his expression. LaVonne blurted out that she was starting to lose it and better get up the stairs before she couldn't. Ruby turned to Weston when LaVonne's footsteps receded up the stairs. Wasting no time, she leaned in and kissed him and he returned the affection along her jaw and when he reached her mouth he kissed her upper lip and then sucked on it gently. After the last kiss one he brushed his tongue along her lips.

Ruby pulled him closer and kissed him full on the mouth and pushed her hot tongue into his mouth and flicked it back and forth on the tip of his. When she pulled her tongue back Weston took in her lower lip and nibbled it, then ran his tongue over the inside of it. Ruby pushed him away, stood up off the sofa and undressed, releasing her full, firm succulent breasts and her hairless, glistening pussy.

Weston stood and grabbed her by the shoulders, lowering her down on the sofa. He kneeled down and pulled one of her legs

blanked on a chair and unfolded it and threw it over Sammie. "Let her sleep." pronounced LaVoone as they left the bedroom. Pointing to the door next to the bedroom, LaVonne says, "You and Ruby can have that room."

She led the way back down the stairs and into the kitchen. Ruby had her poured each a double shot. LaVonne and Weston grabbed their shots and all three together downed their shots. They grabbed their sodas for chasers and took a drink. "That's plenty for all of us." said Ruby. "We don't want to get shit-faced like Sammie. Who'll be left to carry us up the stairs?" They all laughed. Ruby grabbed one of each's hand and pulled them out of the kitchen and into the living room. LaVonne turned on the TV and began flipping through channels. She'd pick a show but when it went to commercial they would move to a movie and after a couple of minutes they would get bored an go back to channel surfing. After some time of this LaVonne handed the remote to Ruby who had been flirting with Weston. He said "We've seen everything on

over his shoulder and dove right in to her slick pussy. He licked up and down her slit and whenever he reached her soaking wet hole he pushed his tongue in. Weston came up to her clit and started to lick it, while he slowly slipped his middle and ring finger into her pussy. Weston then sucked on her clit and curled his fingers up and started to slide them in and out. Weston soon felt a rush of Ruby's juices, he lapped it up as it came out. Ruby whispered "Let's go upstairs and do it right." She held out his hand to pull her up and grabbed her clothes off the floor.

Ruby headed towards the stairs as he looked at her butt in the subdued light. "Damn, I'm gonna tap that tonight." he thought to himself. She turned around when she noticed that he wasn't following her, he smiled and walked forward to Ruby. She bounced on her toes which in turn made her lovely breasts bounce. She grabbed Weston's hand and they went up the stairs into their room. They didn't bother turning on the light as there

was already a lamp turned on in the corner of the room. Ruby pulled back the covers and threw them off the bed. Weston stood at the bottom and took off his remaining clothes. She messed with the pillows for a moment and then leaned back on them and curled her finger a couple times motioning him over to her. He walks over to her

took this as an indication that she wanted him to pull out. He proceeded to do so but he barely got three inches out when Ruby wrapped her legs around him and pulled him back. Weston leaned down and licked circles around her nipples. With her orgasm finally subsiding she grabbed his ass and slowly scooted back, up on the bed while keeping his dick inside her pussy. When they were in a comfortable position Weston started thrusting, going harder and harder. Weston grabbed her tits and massaged them and tweaked her nipples. Ruby began to thrust her hips up to meet Weston's downward ones. Again Weston felt her pussy tighten around his cock but he was nowhere near cumming himself. So he kept pumping into Ruby. Weston felt her juices running down his leg and soaking the sheets.

and she slides her hand under his balls, pulling his hips and very stiff cock over to her waiting mouth. She licked up and down his long shaft. Weston threw his head back enjoying the feeling of her tongue running up and down his length. She'd swirl her tongue around the head and gently nipped his shaft with her teeth as she ran them on his shaft. Standing there he reached down and rubbed her mons. Almost automatically, as if he pushed an 'Open' button, her legs spread and he slipped his hand between her legs. She sucked, he fingered. They moaned in pleasure.

Ruby then says, "Wes, I want that huge cock inside me now." He positions himself on the bed between her legs and slowly pushes in a couple inches and then pulls it out. He did this until he was fully in, then he began to slowly pump in and out. He felt her pussy tighten around his cock with her muscle movement. Ruby closed her eyes and threw her head back moaning softly. Weston

Weston could feel her slightly relaxed muscles tighten again. Weston looked down at Ruby's face and saw her eyes tightly closed and her mouth slightly gaped. The sweat glistening on her body, her tits bouncing every time he thrust himself into her. Ruby opened her eyes when he did this and smiled a little coyly. He started to pump into her faster. Ruby dug her nails into his butt cheeks and that pushed him over the edge. His cum seemed to burst out with the force

of a fireman's hose. When Weston stopped thrusting Ruby turned him over on the bed and got down next to his cock. She licked up cum on the head and down the shaft. Putting her fingers in her cum-soaked pussy then up to her lips, she added that to her oral treat.

A moment later he heard a soft moaning sound that sounded like a climax moan coming from the corner of the room. As his eyes focused that length in the low room light, he saw a dark body with a soft glisten of sweat. She stood up and walked over to the bed. She was naked, and she was Sammie. Ruby patted the empty space on the other side of Weston and Sammie climbed in. Still wobbly and obviously horny, Sammie cuddles into Weston's chest and begins to rub his cock. Weston looks at Ruby as she pulls Sammie's head over and they kiss over his chest. "I don't think I'm going to get any sleep," thought Weston as their lips met right under his nose.

Hey guys, I'm the new pussy on the block, Ms Kay Ghetto Booty is what I sign off as. I'm a newbie to the biz but I think of myself as a real veteran of sexual relations. I won't tell you how young I was when I gave some dude my first blow job, but I like to think that I've perfected it by now. I like to come into the shoot looking real ghetto, but when my clothes come off and they see my piercings, everything changes.

One thing that's surprised me is that every guy wants to stick his schlong in my ass. Well, I'm not ready for that one yet. I'll take a finger or two, but not a big dick, not yet. One guy "accidentally" got his cock-head into my back hole and I bolted out of bed. I had to give him a dressing down for even trying it. Needless to say, he's on my *'never fuck this asshole again'* list. Dudes, treat your babes nice and they'll be nice right back.

KITTEN MAKE MY PUSSY GROWL

Hello to all my fans out there, Kitten's back for a very limited engagement. I bumped into Flexxx Luther a while ago and he asked what I was doing. I told him I was kinda out of the biz, but would cameo every once in a while. He told me a major director had been asking about me and wanted to do a scene with the two of us. I told him I had to think about it for a while, but since it was him, I said I'd do it. Here we go!

I had to convince my lesbian lovers that I was only doing this one time. I'm still a big fan of muff munchers and love to do it myself. But when you got a hunk like Lexxx and haven't had a real live flesh and blood cock in your pussy for a while, well, you just might want it in your honeypot. So take a long look, guys. It'll be a brown moon before you see this one again!
